

The Select Nonsense of Sukumar Ray

GLEE SONG

O see us grin, O see us grin, a very merry threesome :
We're romping in with happy laughs, effervescent and gleesome.
Here's Brother Ned, and Brother Joe, and in between here's I :
We laugh because we want to laugh, and that's the reason why.

We sometimes wonder why we laugh, and whether we'll repent it —
But at the thought break out again, we simply can't prevent it.
It's funny when we're wide awake, it's funny when we dream,
And when we choke our sniggers back — why, that's the biggest scream.

We laugh to see a weaver's loom, an engine, ant or man,
A boat, balloon or crescent moon, an oar or oiling-can.
And when we read our ABC's, we roar without a stop :
The giggles rise from down our tum and fizz like soda pop.
